

For your information the plan is to have a train for Sunday 20th Jan so we can distribute as many of the new lids, which are in stock, as possible.

We also need to have a look at some issues at Bakehouse Crossing and there is a reported blockage at Dragon but the line is currently lifted at that point for relaying so we need to walk up from Dduallt

Chris Jones has very kindly volunteered his services to drive, (Thank you Chris), and the plan is we have Harlech Castle.

Fingers crossed this all comes to pass and the Beast from the East also fails to appear.

I look forward to seeing as many of you as possible on the 20th and as usual suggest we all meet in Minffordd Yard at 8.45 with an aim to leave by 9am
