

Front of House Staff

The Ffestiniog and Welsh Highland Railways are a major tourist attraction in North Wales set in the heart of the Snowdonia National Park. We are committed to increasing diversity within our workforce and to providing an inclusive working environment for all.

We are recruiting for staff to work in our booking office, shop and café in Porthmadog. These are all customer facing roles and successful candidates will have experience of working with the public and providing excellent customer service and care. The ability to communicate in Welsh is not required for these roles but would be an advantage.

These are seasonal positions with immediate start until the end of October 2019.

For more information and an application pack please contact us.

The closing date for applications is Friday 22nd March 2019.
