

We have an exhibition stand at this very famous event and are looking for volunteers who can help out. The days are quite long as we have to stay open until the concerts start in the evening to be available for those who are visiting later.

If you are interested, please email Chris Parry [cparry@ffwhr.com](mailto:cparry@ffwhr.com) and let him know when you might be available. As this is likely to be popular, we will try and spread the shifts out. Welsh speakers would be especially welcome.
