

Looking for seamstresses

We are looking for help in making seating cushions for the wooden chairs inside Tan y Bwlch station tea rooms. Martin and his team have tried buying some but are struggling to find ones that are shaped to fit and tie on robustly.

We would also like some faux curtains to match. We would provide the materials for this. If this is a job you fancy or you know someone who might be able to help, please contact Martin. mbatcock@ffwhr.com or 01766 516031.
